Ah~ I guess Jiwoon 'Sunbae' doesn't know me.

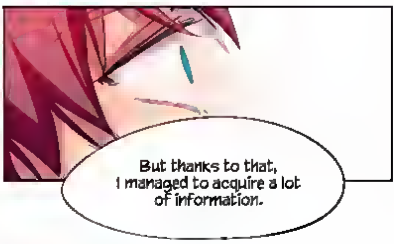
What did you just do?! Why are you doing this?!!
Why?
That's a strange question.

Did you think you were exempt from all attacks?

Weren't you thinking of things too simply?
Isn't it a stranger idea that a villain would leave SHADOW alone in the first place?

You're expecting too much from a villain, sunbae.
So that's why you were acting so full of yourself!



But thanks to that, I managed to acquire a lot of information.

This won't do, the wall is regenerating infinitely because of the repairing paint.

I have issued an evacuation order to the local civilians.

And we can't even smash our way through...

What's happening inside...?!

For now...

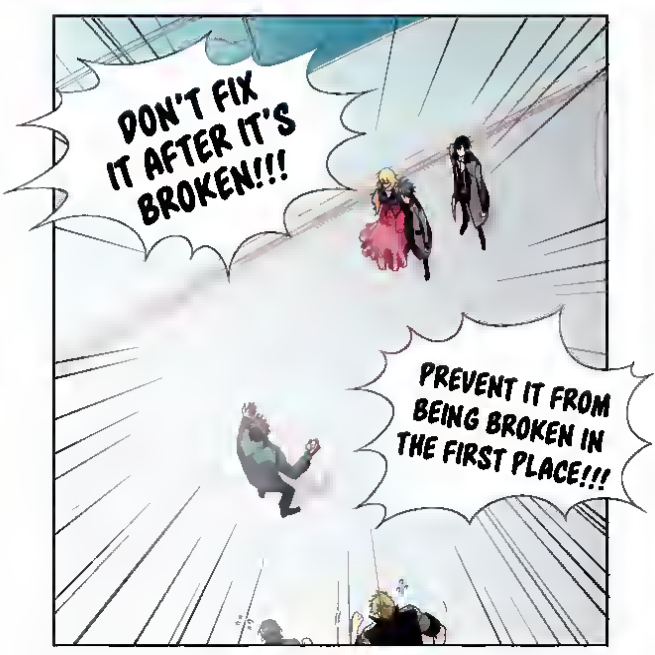
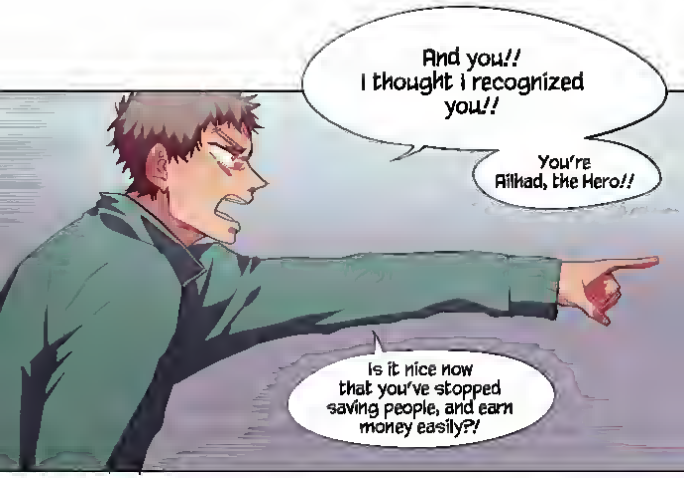
There should be an evacuation order!!

You're just going to watch the city get broken down again, right?!
Because you want to leave a role for yourself and fix it later!!



DON'T FIX IT AFTER IT'S BROKEN!!!
PREVENT IT FROM BEING BROKEN IN THE FIRST PLACE!!!



And you!!
I thought i recognized you!!
You're Ailhad, the Hero!!
Is it nice now that you've stopped saving people, and earn money easily?!

I've joined
SHADOW to prevent
something like that from
